Description:

Working as Graphic Designer in the Marketing Department at Kevro / Barron.

As Graphic Designer I did color correcting of models and clothes for yearly catalogue.

Models shoots will take place at the JHB offices and Kevro use model agencies yearly. We also have the opportunity to meet the models and get a look and feel where they will fit with which clothing categories in our catalogue.

I designed Presentations for clients and worked on any other marketing related requests.

I Worked on the Kevro Catalogue 2012-2013.

I then got an opportunity to work for Kevro Cape Town Branch where I could move back to my home town and be with family and old friends.

June 2008 – October 2011

Name of Company Minuteman Press
Position Graphic Designer
References Ettienne Meyer
Tel 012 653 1231 / 082 445 4311

Description:

*Designing logos, stationary, brochures, packaging, printing, advertising, illustration, repro, binding, copies, working with walk-in customers.
Did a little bit more Repro work and learning how the printing process works from start to finish. I worked with customers daily.*

Also worked out quotes and assists telephonically with design work and did admin.

I was satisfied because it was closer to home and I could save on traveling cost. Bonus!

My reason for leaving I was looking for a different working environment as we were working on Saturdays and got little time off. I wanted to try to move more into a marketing side and take time away from printing industry and everyday walk in customers.

My husband agreed and I took some time off to look for my perfect job.

January 2008 – May 2008

Name of Company Blank Canvas
Position Graphic Designer (freelance contract) *got the job through Strawberry Recruitment.(JHB)*

Description

Designer of a catalogue AMROD CORPORATE we worked for 4 months straight on this catalogue – it was great experience!!! I did layout of pages and deep edging of images and editing. I really enjoyed it. I also did some adverts in between for Blank Canvas as it was only a temporary position. I still wanted to be closer to Pretoria where Blank Canvas was also situated in Braynston JHB.

November 2005 – December 2007

Name of Company Exactmobile
Position Junior to Midweight Graphic Designer
References Cheralee Lubbe (Head Designer)
Telephone Number Cheralee Cell: 082 550 5848

Description

Did layout of SA Directories and African Directories like (Namibia, Kenya, Botswana, Mozambique) - Did Cell C Juice Directories. Exact mobile Directory and Posters - Magazine adverts like MMagic Magazine, Daily Sun Newspaper adverts, Heat, OFF LIMIT and Mag Magazine.

SA India adverts and Namibian Newsletter adverts. Include repro. Free will of design! I enjoyed my job and gained a lot of experience. My reason for leaving as I was staying in Pretoria and the offices were in Fourways JHB long hours were required and I started to look for a work in Pretoria area where I could save some traveling costs and time.

Position

Junior Graphic Designer.

Learned how the industry works from design and layout on the computer to the customer's approval to go on the press for printing. Jason was our repro manager so I did not work on the repro side yet. But did know a little bit of what it's all about.

Received working job cards from reps and almost never worked with the customer directly.

Did adverts for "Catertrade" and the construction booklets, designed logo's, calendars, and posters.
